

SPEECH AND LANGUAGE MILESTONES

Voice, Speech, and Language

**Say the following
words:**

Play

Thing

Rock

**What
happened?**

When you change
the function of just
one of those things
you get a totally
different word!

Try repeating this phrase as you normally would:

“Hickory dickory do
The mouse ran up
clock.

The clock struck one,
mouse ran down.
Hickory dickory dock!”

Notice the air flow
that comes from
your mouth as you
speak the words.

How far could you
get before you
were out of
breath?

“Hickory dickory dock,
The mouse ran up the
clock.
The clock struck one, The
mouse ran down.
Hickory dickory dock!”

“Hickory dickory dock,
The mouse ran up the
clock.
The clock struck one, The
mouse ran down.
Hickory dickory dock!”

How did
that go?
